

# SpillTrapper Mats

Traps spills and leaks under plant and machinery

Designed for use under plant and machinery  
SpillTrapper™ catches and absorbs oil and fuel leaks without the need for additional containment.

- Absorbs oils, fuels and other hydrocarbon liquids
- Traps spills and leaks so you don't have to worry about mess or ground contamination
- Fentex Engineered for outstanding performance and great value
- No additional tray needed with the containment mat design
- Non-slip vinyl base contains contaminants protecting the environment
- Tough mesh grid withstands heavy use
- Eyelets at each corner for pegging to the ground or hanging from under plant
- Hydrophobic inner material will not absorb rainwater
- More cost-effective than other pad or nappy-style products

Absorbs oils, fuels and other hydrocarbon liquids.
